

Students from the Franklin University Leadership Capstone

Brian Pierson is serves as the Director of Community Outreach for Mount Carmel Health Systems. In this role, Pierson leads the Mobile Coach Team and eight clinics designed to provide health care services to the poor and underserved populations in the greater Columbus area. Pierson is also responsible for leading the Early Start and Help Me Grow programs provided by Mount Carmel.

Christine Kristanich is the Director for the Supported Living Program for ResCare. The program provides support to individuals with developmental, emotional, and intellectual disabilities who are living in their own homes. Kristanich has been employed with ResCare for 16 years and in the field providing various supports for 21 years.

Julie Schultz has been employed with Nationwide Financial for nearly nine years. She works as a Program Consultant working to build development programs for associates who are eager to advance their careers and become more marketable employees. Along with Nationwide, she is heavily involved in the community, mainly focusing her time and energy in her nonprofit tutoring and mentoring program - C.A.R.E.S. She is a graduate of Franklin University where she attained a dual undergraduate degree in Organizational Communication and Organizational Leadership.
