

## Jackie Bovinet

### Senior Human Capital Consultant, Sequent

In her role as Senior Human Capital Consultant, Jackie applies more than 20 years of leadership, human capital management and consulting experience to develop and execute customized solutions that yield client value and satisfaction. Some of her practice areas include Succession Planning, Identifying CareerPaths, Human Capital Strategies, and Leadership Coaching. One of Jackie's assessment tools is Organizational Network Analysis, which maps and measures relationships and flows between people and groups in organizations to identify emergent leaders and critical intellectual and social capital.

Prior to joining Sequent, Jackie held the position of Regional Vice President - Human Resources for a national healthcare company. She spent the last 18 months with that organization assisting full-time in an HR Transformation project, effectively outsourcing the human resource function corporate-wide. Previously, Jackie served in human resource leadership positions with worldwide and privately held manufacturing enterprises in Wisconsin and Cleveland.

Jackie graduated from Baldwin-Wallace College with a Bachelor's Degree in Business Administration. Jackie holds the Senior Professional in Human Resources certification from the Human Resource Certification Institute.

Jackie is a member of the Human Capital Institute, Society for Human Resource Management and the Human Resources Association of Central Ohio. She is one of the Leaders-in-Residence for the Franklin University Leadership Center.
