

## **COACH JOHNNY JACKSON**

### **HEAD COACH FOR TRACK & GIRLS CROSS COUNTRY, WESTERVILLE NORTH HS**

Johnny L. Jackson is a proud graduate of Linden McKinley High School, The Ohio State University and the Jon Glen Leadership Academy. He has worked as an executive for The Whitehall Chamber of Commerce and the National Youth Advocate Program. However, he is most happy when he is teaching leadership classes, consulting businesses about employee relations, or coaching one of his many athletes. Johnny has coached young and more mature athletes in Germany, Georgia, and the surrounding Columbus area for close to 30 years.

Having received many awards from coaching, his enlistment in the Army, and teaching, he is most proud of receiving the Patriot Award from the Secretary of Defense and his Certificate Of Appreciation from the U.S. Army for his support of a soldier during her deployment to Iraq. He is currently the head coach of the Westerville North High School Track Teams, Girl's Cross Country Team, and The Flying J's Track Club for youth.
